LAARNI JOY CRESCENCIO

Administrative Assistant
Transcription & Data Entry Specialist
Virtual Administrative Support

ORGANIZE.

SIMPLIFY.

SUPPORT.

**A dependable remote partner for the details
that keep your business moving.**

BS Mathematics • Remote Support • Data & Documentation

A calm, organized presence behind the scenes.

ABOUT ME

I am a detail-oriented and reliable freelance professional specializing in administrative support, transcription, data entry, and virtual assistance.

With a Bachelor of Science in Mathematics, I bring analytical thinking, numerical accuracy, organization, and problem-solving to every project.

My focus is simple: keep information accurate, tasks organized, and workflows moving—so clients can focus on the work that matters most.

CORE VALUE

Accuracy

Careful handling of data, documents, schedules, and transcription.

Clarity

Organized information and straightforward communication.

Consistency

Reliable support that fits your existing workflow.

WHAT I BRING

Remote operations	Data management	Coordination
Documentation	Workflow support	Digital organization

Support that fits the way you work.

01

Ideal for entrepreneurs, small businesses, professionals, and teams who need reliable remote support without adding unnecessary complexity.

Comfortable with the tools behind modern workflows.

PRODUCTIVITY	Google Workspace • Microsoft 365 • Notion
DATA & CRM	Microsoft Excel • Airtable • HubSpot • Salesforce
FORMS & DATA COLLECTION	Jotform • Typeform
MEETINGS & TRANSCRIPTION	Fireflies.ai • Fathom
TIME TRACKING	Clockify • Toggl Track

SKILLS AT A GLANCE

Calendar scheduling	Inbox management	Travel coordination
Digital documents	High-accuracy typing	Transcription
Meeting notes	CRM updates	Database cleaning
Spreadsheet management	Data verification	Task coordination

Professional strengths: Detail-oriented • Organized • Reliable • Analytical • Adaptable • Independent

Simple process. Reliable delivery.

01	UNDERSTAND	Learn your priorities, requirements, and preferred workflow.
02	ORGANIZE	Structure tasks, files, schedules, and information.
03	EXECUTE	Complete assigned work accurately and efficiently.
04	REVIEW	Check details for accuracy, completeness, and consistency.
05	DELIVER	Provide organized results and clear communication.

EDUCATION

Bachelor of Science in Mathematics

Analytical thinking • Numerical accuracy • Logical reasoning • Problem-solving • Attention to detail

WHY CLIENTS CAN COUNT ON ME

- Accuracy: careful handling of data, documents, transcription, and administrative details.
- Organization: structured schedules, files, databases, and information.
- Reliability: consistent support with attention to deadlines and communication.
- Adaptability: comfortable learning different platforms, processes, and client workflows.

05 / LET'S CONNECT

Ready to make the busywork lighter?

If you need a dependable remote professional to manage administrative tasks, organize information, transcribe meetings, maintain databases, or support your daily workflow, I would be happy to help.
